1-New Giza University Medical Association – NGUMA

NGUMA aims to offer future physicians a comprehensive introduction to global health issues. Through the opportunities it provides, it develops culturally sensitive students of medicine, intent on influencing the transnational inequalities that shape the health of our planet. It sets a suitable atmosphere that qualifies them to be interactive medical students in their faculty and professional, skillful contributors to the welfare of their community. Our objectives are empowering medical students in using their knowledge and capacities to benefit society, providing a forum for NGU's medical students to discuss topics related to individual and community health, education, and science and to formulate policies from such discussions, promoting and facilitating professional and scientific exchanges as well as projects and extracurricular training for medical students, thereby sensitizing them to other cultures and societies and their health problems, providing a link between NGUMA's members, medical students' associations within Egypt, and international organizations and encouraging cooperation between them for the ultimate benefit of society.

2-Ibrahim Badran Foundation (IBF) New Giza University

IBF is a student-led charity organization. IBF's mission is to provide quality medical healthcare through medical convoys, as well as fixed and mobile clinics, with a working model that keeps pace with modern technologies while preserving patients' privacy and dignity. We offer students the opportunity to volunteer in these convoys. As an existing branch in NGU, we aim to have a convoy fully funded by NGU through fundraisers. As a club and a part of NGU's student life, we endeavor to unite students who share common interests, fostering connections and networks, nurturing a sense of community and belonging, facilitating the pursuit of individual passions, and offering valuable hands-on experience and skill development beyond the confines of academics.

3-NGU Music Club

Our music club is mainly a COMMUNITY where music lovers come together to share their passion together. As a club, we encourage everybody to unleash their musical talents without fear of rejection. Whether you're a professional musician or just starting out, we provide a supportive and encouraging environment for everyone to showcase their skills. We organize our own events, as well as collaborate in other clubs' events, and most importantly NGU's 2 main events (orientation & graduation ceremonies). We also offer jam sessions, talent shows, and more throughout the year, as an extra opportunity for our club to grow and shine with its members. We also provide learning sessions throughout the course as a fun way of experiencing our teaching skills in music and benefiting others as well. Our club plays a big role in creating endless musical memories and unforgettable friendships.

4-Fel Kheir Club

A charity club where each month we focus on a different cause, raising awareness, collecting donations, and organizing visits for it. Our main aims revolve around Baheya breast cancer awareness, children (orphanages, 575375, etc.), the elderly, people with disabilities and developing local communities, in addition to seasonal causes like winter drives, Ramadan, and Eid.

5-Business Entertainment and Activities Team (B.E.A.T)

Beat club is all about creating vibrant and memorable experiences for students. Through exciting trips and engaging events, we aim to foster a sense of community and uplift the spirits of our fellow students. With each adventure, we offer a chance to explore new horizons, forge lasting friendships, and escape the pressures of academic life. Our club beat offers a welcome break from routine and a chance to create cherished memories during the university journey. It's a hub of energy and togetherness that brings students closer and adds a colorful dimension to campus life.

6-Peer Assisted Learning (PAL) Club

PAL is an academic club dedicated to helping students in multiple faculties like medicine, dentistry, pharmacy, and business schools at New Giza University. PAL offers variable facilities that help students through online/ on campus sessions, student notes, voice records, and many other methods. Club Background. (PAL) Club was created to provide a platform where students can support each other through both teaching and learning. Since its establishment, PAL has grown into a diverse and dynamic club with dedicated divisions for Medicine, Dentistry, and Pharmacy. Among our key milestones are designing a sustainable notes drive, where academic resources from both graduates and undergraduates are preserved for long-term access; collaborating with brands to secure student discounts and perks; and organizing engaging recruitment and trivia events. We have also trained and equipped our tutors and members to excel in their roles, hosted sessions on postgraduate opportunities that welcomed over 300 attendees and honored outstanding tutors with certificates and souvenirs to build a supportive and motivating team spirit. Our main areas of focus include providing reliable academic resources, creating engaging peer-led study opportunities, and cultivating leadership, teamwork, and teaching skills among students.

7-Climate Action Club

Climate Action club is a student activity promoting SDG 13 where we focus on sustainability and environmental conservation by offering a variety of events and activities throughout the year. We also provide a place for our members where they can develop their communication and leadership skills. The Climate Action Club was founded to unite students who share a passion for environmental stewardship and address the urgent challenges of climate change. While newly established, the club marks an important milestone in the university's journey toward sustainability by creating a platform where students can learn, collaborate, and lead positive changes.

8-Dental Students' Scientific Association (DSSA)

Dental student's scientific association is a non-profitable organization that aims to assist dental students and fresh grads to prepare them to lead a healthy, successful work life. DSSA-NGU is part of DSSA-Egypt organization which is the national representative of the International Association of Dental students (IADS). IADS is a non-governmental organization that represents the interests of dental students all over the world. It was founded in Denmark and is currently situated in Geneva, Switzerland. IADS has more than 200,000 students from 60 countries, it provides a lot of exchange and scientific opportunities for NGU's SOD students.

9-Teatro Club

Teatro Theatre Club is a student-led organization dedicated to exploring and expanding the role of performance within the university community. While theatre is at the heart of our work, our vision extends far beyond the stage. We believe performance is a way of life — a tool for communication, self-expression, and storytelling enriches both individuals and the wider community.

10-TEDx NGU

TEDxNGU refers to the TEDx event organized by the club at New Giza University. TEDxNGU aims to bring together students, faculty, and the broader community to foster a culture of knowledge sharing, inspiration, and innovation. The club works to create a diverse lineup of speakers who can offer unique perspectives and insights on various subjects. The TEDxNGU club at New Giza University organizes regular events, usually once a year or more frequently depending on the club's capacity. These events typically feature a series of live talks, performances, and interactive discussions. The club's primary goal is to provide a platform for individuals with ideas worth spreading, enabling them to share their stories and contribute to the intellectual growth of the community.

11-IEEE

The Institute of Electrical and Electronics Engineers (IEEE) is the world's largest technical professional non-profit organization, founded in 1963. Dedicated to fostering technological innovation and excellence for the benefit of humanity, IEEE serves as a global community that brings together professionals, researchers, and experts from various fields related to electrical engineering, electronics, computer science, and related disciplines. IEEE provides a platform for the exchange of ideas, knowledge dissemination, and collaboration on cutting-edge advancements in technology. The organization is instrumental in setting standards, organizing conferences, and supporting educational initiatives to promote advancements in science and technology across the globe. IEEE encompasses a wide range of technical societies, each focusing on specific aspects of technology, and it plays a crucial role in shaping the landscape of modern engineering and computing.

12-Podcast Club

The NGU Podcast Club is a newly established student-led media community that promotes creativity, inclusivity, and self-expression through podcasting and digital content. Its mission is to give NGU students a platform to share stories, spark meaningful conversations, and gain hands-on experience in media production. The club focuses on producing podcasts, live events, interviews, and awareness content while fostering collaboration across campus. Its vision is to become NGU's leading media hub—eventually evolving into “NGU's TV”—showcasing student creativity, campus life, and impactful projects that amplify NGU's voice within and beyond the university.

13-Fashion Club

The Fashion Art Society Club is more than just a fashion club—it is a creative hub where every talent finds a stage. Our mission is to support everyone's potential, not only in modeling and design but also in the executive and organizational sides of the fashion world. We are a masquerade-themed society, where masks symbolize freedom of expression. They allow us to explore identity, creativity, and differences, showing that fashion is not about conformity but about individuality.

14-Human Rights Club

Human Rights have become a cliché, words people repeat without meaning. The Human Rights Club turns those words into real action that transforms lives. Through field trips, specialized training programs that stand out on any CV, and real volunteering that changes people's futures, members gain experiences few ever do. Soon, an exclusive insight will be revealed, reserved only for those who choose to be part of this journey. Join the Human Rights Club and step into a community of purpose, impact, and privilege where you truly belong.

15-Panto Club

(Panto) is Newgiza University's first official magazine and content creation club. We spotlight student voices through articles, photography, and podcasts, sharing stories, ideas, and achievements that shape NGU's community.
