Poster Guidelines

1. **The poster size should be 85 cm width x 120 cm height (approx. 32 x 48 in). All posters must be in "portrait" format.**

2. Posters should be readable 1-2 meters away. Therefore, **font size should not be less than 24-36 points** is preferable to enable easy reading.

3. Proofread: Check spelling, grammar, and punctuation.

4. Poster title: should match exactly the title of your accepted abstract. Use Boldface with font size not less than 48 points at the top middle of the poster. Capitalize each word in the title.

5. Author and Co-authors' names and affiliations must be added just below the poster title in italic with font size not less than 24 points.

- Author(s) Name(s): Include full first name and family name.
- The corresponding author should be marked with an asterisk (*). Otherwise, the order of the names may vary depending on the preference of the authors.
- Affiliation details: department, institution, city, and country. Different affiliations should be given superscripted numbers (1, 2, ….) unless all authors are from the same affiliation (no need to add a number).

6. Your **institution logo** must be added on the top-right hand-side of the poster.

7. The **assigned poster code** must be added on the top-left hand-side of the poster.

8. We recommend using white or light color-background and use figures to convey the objectives of your poster.

9. Recommended Headings to follow: Introduction or Background, Objectives or Aim, Methods, Results, Conclusion and References.
